FACE

JANSSEN COSMECEUTICAL

The company's new Cranberry Face and Body Series uses the cranberry's antioxidant powers to strengthen the immune system and prevent premature aging. 800-809-7437

DR. IRENA ERIS COSMETIC LABORATORIES

The Nano Entrée features ingredients with anti-aging properties that are encapsulated in modern nanospheres, whose small size enables rapid and effective absorption into the deeper layers of the skin. 800-999-9419, info@eris-usa.net

XTREME LASHES

The company's new eye makeup remover has been formulated and tested specifically to accompany the company's eyelash extensions. 877-244-5274, info@xtremelashes.com
