Bioelements was the hit of the American Heart Association's Go Red for Women event in February in Palm Desert, Calif. Guests received individual consultations with **Candice Joy Lagatta**, Education Manager West and **Lisa Gallegos**, California Bioelements Learning Coach, and then had products customized for their particular skin type. Bioelements donated skin care products to the entire sold out crowd of 380 attendees. Over \$75,000 was raised for Go Red.

Random Notes

Oscar-winning actress **Cate Blanchett**, who was nominated for two of the golden statues this year, walked down the red carpet at the 2008 Academy Awards and the Independent Spirit Awards with nails painted in **OPI's Privacy Please Nail Lacquer**.

Xtreme Lashes™ recently participated at DPA's Golden Globes gifting lounge in Beverly Hills. Though the Globes never took place, stars still flocked to the suites. Actress **Kimberly Elise** ('Diary of a Mad Black Woman' and 'The Great Debaters' with **Denzel Washington**) was amazed. "They look like princess lashes," Elise said of the end result.
