

## IN THE DARK

Take a tip from the fashion gurus at **GND** and recommend a darker shade of nail polish this winter. What's in? Gritty, sooty, grainy blacks like Hyde in the Dark seen on the runway at Lyn Devon during fashion week in New York City.

## BLUSHING BEAUTY

**Tarte's** new Très Cheek is a limited-edition set of portable cheek stains that comes in a vintage-inspired pouch—the perfect holiday party accessory. The set consists of three brand-new shades: Chic, a gold-flecked coral; Posh, a glistening rose pink; and Fierce, a shimmering raspberry. Formulated with Tarte's proprietary t5 Super Fruit Complex, which provides anti-aging and skin-restorative benefits, the cheek stains are easy to blend and provide a fresh, dewy finish. ## Guide to Style

In her fifth edition of *The Hair, Makeup & Styling Career Guide*, Hollywood agent and industry insider **Crystal Wright** provides advice on everything from how to become a freelance makeup, hair or fashion stylist for media outlets and how to tell the difference between a good photographer and a bad one to what photo agents want to see in a portfolio and what to do to get hired for editorial, runway and print work. Available in DVD, CD and book form, this guide is a must for anyone looking to break into the competitive beauty and fashion industry. ## CLEARLY DEFINED

**Xtreme Lashes**, best known for its innovative semipermanent eyelash extensions, just launched **GlideLiner Eye Pencils**, which are formulated for use with extensions and available in five shades. A revolutionary gel technology lets you create a look that combines the defined lines of a liquid liner with the smoky, smudgy look of a pencil. [xtremelashes.com](http://xtremelashes.com) —L.A.

## Twinkle, Twinkle

Just in time to add a little holiday sparkle to eyes, **Your Name Professional Brands** has introduced **Twinkle Top Coat Mascara**, an innovative illuminating top coat that's applied over the mascara formula of your choice. The gel-based, weightless formula contains multifaceted prismatic particles that add a multidimensional light effect to the lashes. [yournamepro.com](http://yournamepro.com) —M.D.

## Swipe and Go

Remove makeup, oil and dirt quickly and easily with **Japonesque's** new eco-friendly **Parian Spirit Pro Brush Cleaner Wipes**, which are infused with the company's best-selling cleaning solution spray. The environmentally safe wipes gently clean, condition and disinfect fine brush hair; dissolve all types of makeup, including powders, liquids, wax-based products and adhesives; and help prolong the life of brushes.
