Xtreme Lashes by Jo Mousselli

**Description:** What girly girl doesn't want longer, thick, fuller lashes? Xtreme Lashes are applied one at a time to natural lashes for added thickness, volume, length and curl. Treatments are relaxing and pain-free, often referred to as "Beauty Sleep". The impact of Xtreme Lashes is often compared to an instant eye-lift, but completely non-invasive. Have it done yourself then give the gift that keeps on giving, Xtreme Lashes can last indefinitely with routine touch-ups. Xtreme Lashes start \$250 for a basic full set and \$100 for touch-ups. While a little pricey, true "Lash Addicts" won't bat an eye at the price once they see the dramatic results.
