GLIDELINER EYE PENCIL

GlideLiner Eye Pencil by **Xtreme Lashes** is formulated specially for eyelash extensions but can be used on natural lashes. This non-smear, long-lasting, waterproof formula features a revolutionary gel technology, which prevents deterioration of the bond where the natural lash and the extension meet so there is no buildup or flaking. It is available in Golden Olive, Midnight Blue, Plum, Xpresso, and Xtreme Black. (877) BIG-LASH; www.xtremelashes.com.
