

In what has become a quiet race among castmembers of *The Hills* to see who can modify their face the most, it appears **Holly Montag** in a clear front-runner.

After getting her teeth capped, nose narrowed and lips injected, the D-list reality TV starlet spent the afternoon getting [eyelash extensions](#) at [Parlour on 3rd in Los Angeles](#) today (October 15).

After laying down for a couple of hours and paying a few hundred dollars for stylist **Calma Yom** to delicately position each and every lash, Holly booked it home to prepare for her 26th birthday [bowling party](#).

Tweets [the birthday](#) girl: "Thank you everyone for the birthday wishes you're making this such a special day for me!!! Love you!" _OCTOBER 15, 2009 - 11:25 PM
